

# MARK YOUR CALENDARS!

## Provincial 2010 Summer Institute

### **Advanced Counselling Skills for Concurrent Disorders**

Through plenary sessions, discussions with colleagues and peers, and training workshops, this Provincial Summer Institute 2010 will provide advanced learning to clinicians and other specialists working in concurrent disorders. Day one will feature keynote speakers, panel presentations and break out sessions with full day courses on days two and three. Segments of the Institute will be conducted in French.

Courses to be offered include Motivational Interviewing, Cognitive-Behavioural Therapy, Thérapie cognitivo-comportementale, Screening and Assessment for Concurrent Disorders and much more. Specialized courses for Communities of Practice will be offered.

**Dates: August 17 to 19, 2010**

**Location: Toronto, Ontario**

Sponsored by the Centre for Addiction and Mental Health  
and the Concurrent Disorders Ontario Network
